## Multiple Persons in Boat Consent for 2020 Sailing Season

I have read and signed the COVID-19 waiver and understand the risk of letting my student participate in activities with the SCSS. I understand the risks associated with sharing a boat with another student.

All parties recognize the risk that comes from participating in activities with the SCSS and will not hold the SCSS liable for any injury or sickness sustained while participating in said activities.

I consent to my student sharing a boat with another student. (check one)
